

High School Learning opportunities in Colorado Springs/Monument

Traditional High School learning options

Traditional schools (5 days/week in person learning) work best for some learners. If this type of environment suits your player, be aware there may be some additional work to build an appropriate academic schedule. In addition, students must be aware frequent travel necessitates a proactive approach to communicate with teachers and administration.

Lewis Palmer School District #38

There are two traditional high schools in Monument, District 38 where the rink is located. Palmer Ridge and Lewis Palmer High School. Both have similar curriculum opportunities. Both schools will accommodate a free period if your player is eligible based on credits needed for graduation.

Lewis Palmer HS

Hybrid/Blended Full Virtual Learning High School Options

Hybrid learning provides a great opportunity to bring flexibility to education. Students attend class 2-4 days in person while receiving the remainder of class content online. Learners are able to complete assignments at their own pace and can adjust workload to meet the AAA Hockey practice and travel schedule. This style of learning requires personal discipline and self-advocacy. Students must be diligent with time management and able to directly communicate with educators when they need extra support.

District 49-Springs Studio for Academic Excellence (SSAE) - High Performance Program (HPP)

- Option 1-In person 2 days/week-will work to customize schedule to facilitate practice/365 skate and workout times as much as possible
- Option 2-Full virtual with in person support on Fridays if requested
- Option 3-Blend of in person Core classes and online electives will work to customize schedule to facilitate practice/365 skate and workout times

***High performance advisor to the athlete on staff to communicate with parents, teachers, and coaches

Distance from Monument Ice Rinks = 20 miles/25-30 minute Drive
6113 Constitution Ave
Colorado Springs, CO 80915

In addition to a grade level counselor, the High Performance Program employs a dedicated mentor to check in on the athletes regularly.

District 20- The Village

- Core Classes delivered in online format-teacher assistance available if requested
- Electives delivered in person on campus
- In person 4 days/week at grade 9/10 (9:30am-2:45)
- Some in person may be required depending on classes grades 11/12

***Teacher mentor assigned to student

There are a limited number of students allowed at each grade level. Once grade level enrollment is full, students will be placed on a wait list.

If you are interested in attending Village High School, the first step is to submit an application (link below), even if you are on a waitlist for a certain grade level. The waitlist will be continued each semester and you will receive updates on enrollment. You will have the opportunity to accept or decline if an opportunity opens up. Email application questions to Stacey Chavarria, stacey.chavarria@asd20.org

Principal: Mario Romero

How to register a billeted player

After the billet family is assigned to a player, **the player's biological family** will need to take the following steps as they are going through the district registration:

1. Ask billet family for a copy of their driver's license.
2. Ask the billet family for a copy of the utility bill or rental agreement.
* Make sure it's the same name on both documents.
3. Complete and Notarize a Power of Attorney (available from CO Rampage).
4. Upload all billet info during the district enrollment process.
